CHEM19 RECORDING

Chem19 Recording Studio invites Scotland's young musicians to apply for 3 days' complimentary recording and production in our professional studios with the assistance of our experienced house engineers. Successful artists will also be invited to take part in a live showcase at a selected Glasgow venue later in the year.

**There are 5 places in total being offered.**

To be eligible, artists must be 25 or younger, resident in Scotland and must have little or no recording experience in a professional studio. Original material only to be considered for recording.

To apply, artists are invited to send us rough demos  
(where available) to [info@chem19.co.uk](mailto:info@chem19.co.uk)  
and a brief introduction to the artist.

**Applications close 31st July 2016**
